

## Keele Street/Highway 7: Watermain Replacement

### PLANNED PROJECT WORK

As part of the 2021 Capital Works Program, the City of Vaughan will be replacing the existing watermain on Keele Street, from Jardin Drive (north of Highway 407 junction) to Langstaff Road and along Highway 7 within the Keele Street intersection.

The planned improvements also include new sidewalk and streetlighting on the west side of Keele Street, between Bowes Road to approximately 200 metres north, to interconnect the existing sidewalks

The City has completed the detailed design phase of the watermain replacement, and sidewalk and streetlight improvements.

Construction is projected to commence in the summer of 2021.

### MORE DETAILS TO FOLLOW

Newsletter No. 3 will be issued prior to construction to provide further details including construction start and end dates.

Thank you in advance for your cooperation. We look forward to completing these important infrastructure upgrades in your area.

For more information, please contact the Project Lead.
